

The Sustainability Trust

*Rotarians for Sustainability
& Carbon Reduction*

A Global Rotary Club Project

The theme of 2010-11 RI President Ray Klinginsmith,

RC of Kirksville, Missouri

'Building (Sustainable) Communities and Bridging Continents'

(we added Sustainable!)

**That's a great theme and Clubs can really build
Sustainability into it.**

- **We take the view that
the ideal Rotary project is a humanitarian project
with sustainability built in!**

Examples of Trust-supported Projects

Solar Ovens, South Africa 2010.
The Sustainability Trust, supported by
D.1100, RC Cheltenham Sunrise, RC
Kirstenbosch South Africa and RC Fresno
California, USA

**String bags to
replace plastic
supermarket
bags**

**Sales of STANDBY-SAVER
RC of Sheffield**

**Solar Cookers into Guatemala - Past RI President
Wilf Wilkinson presents a cheque from the Trust
to RC Fresno, California, USA**

WHAT IS YOUR CLUB DOING by way of a Sustainability project?

Email details to info@TheSustainabilityTrust.org and we'll put it on our website to help and inspire other Clubs around the world.

Take a look at our **Ten Minute Talk** at www.TheSustainabilityTrust.org – a PowerPoint presentation that explains what Rotarians can be doing to make our planet more sustainable.

**REMEMBER – SUSTAINABLE SOLUTIONS are – in the long run –
the most COST-EFFECTIVE Solutions**

The Sustainability Trust is a charitable foundation registered by the Charity Commission in England & Wales
Initial funding came from 11 Founding Member Rotary Clubs on 5 continents
